Letter No.A. dated 25th October 1910, from Mr. T.S.Siddappa, Assistant Surgeon on Inoculation duty Kolar Gold Fields, to the Sanitary Commissioner in Mysore Bangalore.

I have the honor to bring to your kind consideration that living is very costly in Kolar Gold Fields, on account of that, all the Officers not only of Medical but also of other Departments get some suitable local allowance according to their ranks.

Even I, when I was here on two previous occasions was getting Rs.40/- and at another time Rs.50/- per mensem as Sub Assistant Surgeon.

Now considering the dearness of provision and costliness of living in the Fields, I request you to kindly recommend for the sanction of a suitable local allowance for me.

Forwarded for favorable consideration. Mr.Siddappa has done excellent work during the time he has been here and he has Inoculated about 1700 persons in the few weeks he has been here.
